Honey, you make  
the holidays seem  
so special with your  
little touches...

Valerie

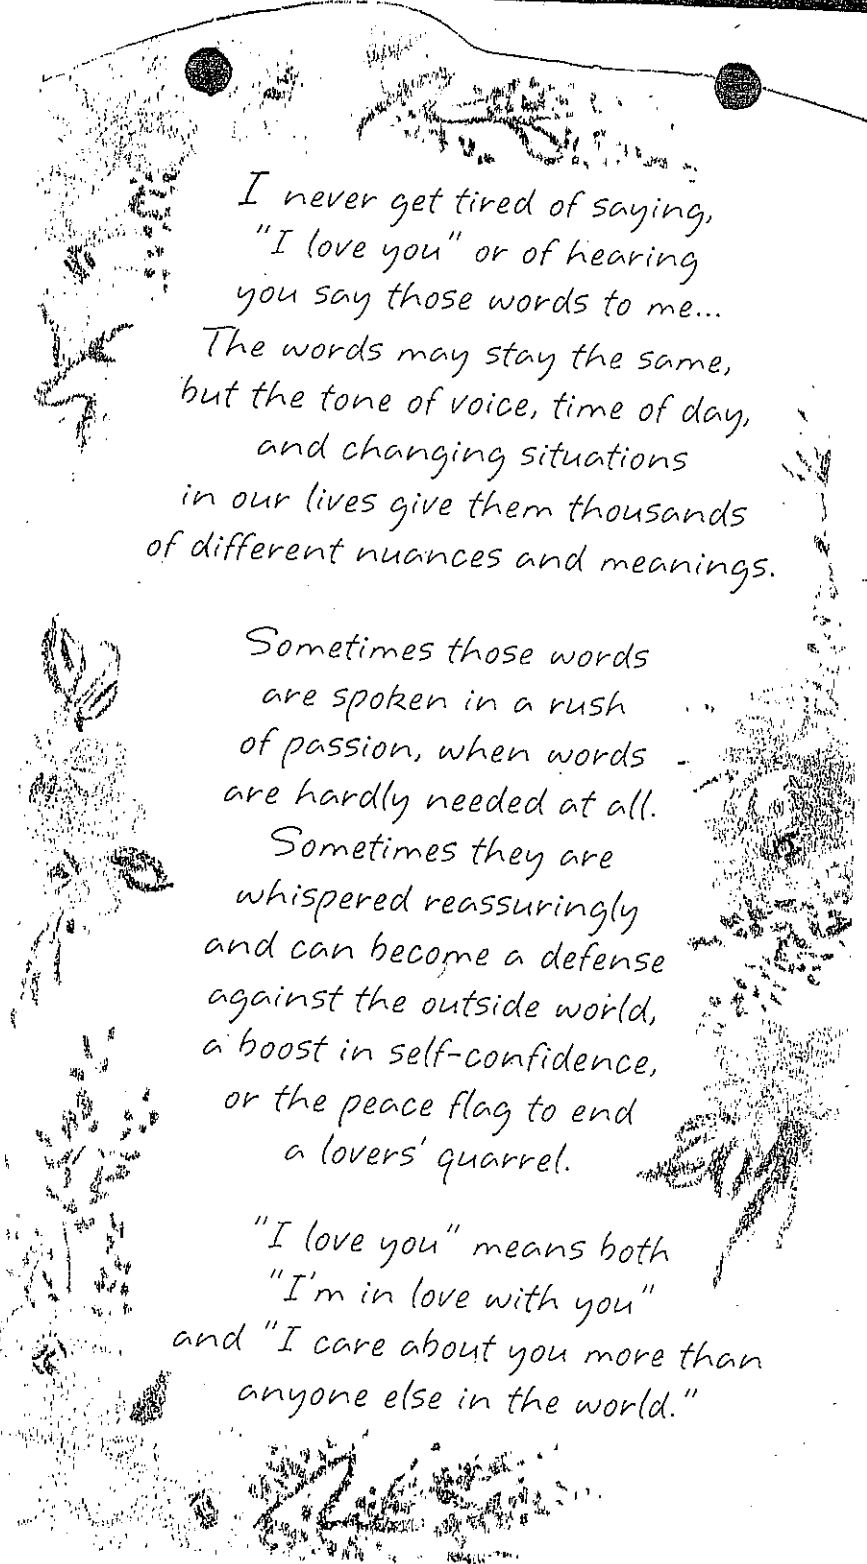

And your little squeezes...  
your little hugs...  
your little kisses...

Merry Christmas

Looking forward to a  
lot of that, real soon

Love you  
Y. K. W.

I never get tired of saying,  
"I love you" or of hearing  
you say those words to me...  
The words may stay the same,  
but the tone of voice, time of day,  
and changing situations  
in our lives give them thousands  
of different nuances and meanings.

Sometimes those words  
are spoken in a rush  
of passion, when words  
are hardly needed at all.

Sometimes they are  
whispered reassuringly  
and can become a defense  
against the outside world,  
a boost in self-confidence,  
or the peace flag to end  
a lovers' quarrel.

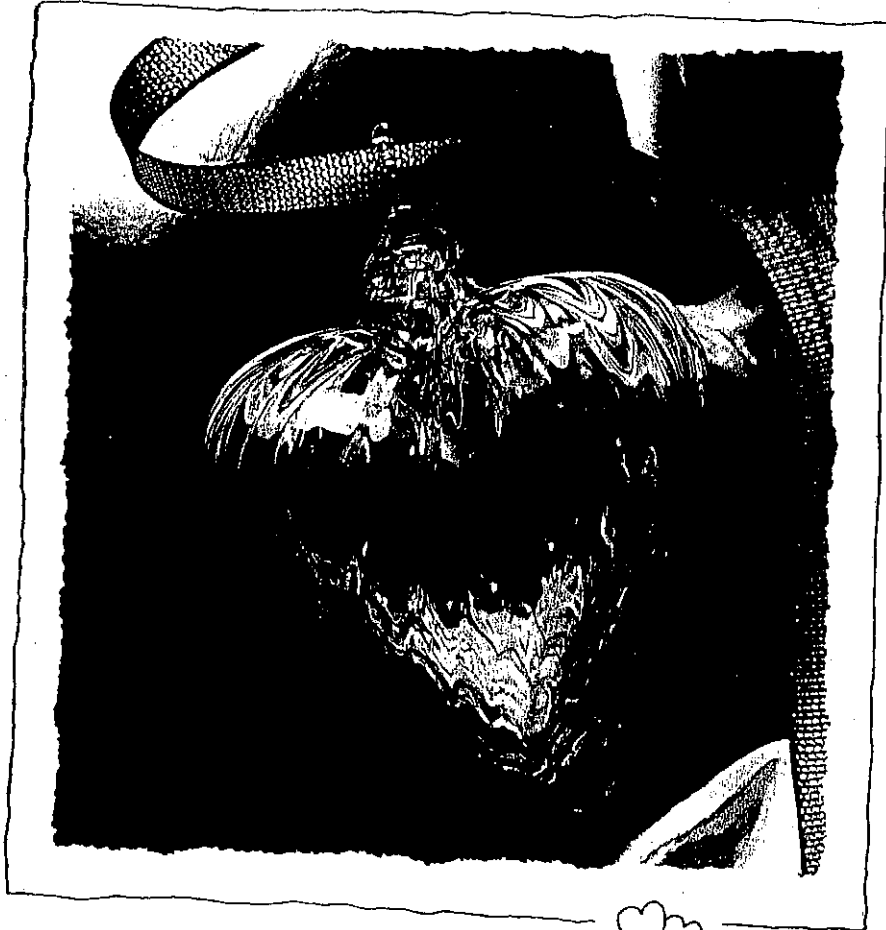

"I love you" means both  
"I'm in love with you"  
and "I care about you more than  
anyone else in the world."

Though I may not say "I love you"  
In just those words each day,  
I always try to tell you  
In a special sort of way--  
With trust and understanding,  
With a tender, loving touch,  
With smiles I hope will somehow say  
You mean so very much--  
With just a look, a word, a kiss  
To let you know I care...  
For love's the special language  
Our two hearts will always share.

## Happy Valentine's Day

Just look into my  
heart, and at me,  
and at my feelings  
for you, and you will  
know what's right for  
you, for us. I love you  
Delman

*"You'll Always Be  
First in My Heart"*

10-98-2126-192

You know that I love you,  
And you must know, too,  
That my happiest moments  
Are those spent with you--  
For when we're together  
Or when we're apart,  
You're first in my thoughts  
And you're first in my heart.

Merry Christmas

Time is something  
that we shouldn't waste.  
I depend on you, and  
I've put my faith +  
trust in what you've  
told me, but most of  
all, I love you  
Y.K.W.

CERTIFICATE OF SERVICE

I hereby certify that the foregoing Motion and Notice have been served by hand delivering a true copy thereof, to Charley G. Dixon, Knox County Attorney, and Honorable John Knox Mills, Judge, on this 5<sup>th</sup> day of October, 1993.

  
William S. Deatree  
ATTORNEY FOR DEFENDANT

The amount of publicity regarding this case has been tremendous and this motion is brought in an effort to keep pretrial publicity to a minimum and insure that the defendant can get as fair a trial as possible. Public statements about this case by the attorneys other than those authorized by Rule 3.6(c) would interfere with the defendant's right to a fair trial, and public comments by law enforcement officials and the coroner can add nothing to the public record at this point and could only serve to further prejudice the defendant and deprive him a fair trial.

Respectfully submitted,

WILLIAM G. CRABTREE  
CRABTREE & GOFORTH  
120 East Fourth Street  
London, Kentucky 40741-1414  
Telephone: (606) 878-8888

  
ATTORNEY FOR DEFENDANT

NOTICE

Notice is hereby given that the foregoing Motion will be brought on for hearing before Honorable John Knox Mills, Judge, Knox District Court, in the district courtroom of the Knox County Courthouse at Barbourville, Kentucky on Tuesday, October 5, 1993, at 1:00 P.M., local time, or as soon thereafter as counsel may be heard.
